

## **Gravesham Youth Democracy Scheme: Feedback Form**

### **What did you enjoy most about the Scheme?**

I really enjoyed getting to make contacts within the council, and participate in some committee meetings (community and leisure). Furthermore, meeting like-minded people has allowed me to make new friends and has inspired me to join the youth council.

### **What did you like least about the Scheme?**

The meetings tended to be very late, and for a lot of them I had to leave before meetings ended which was a shame as I could have missed some beneficial information. However, I understand that there is not much that can be done to fix this.

### **What would you like to see added to the Scheme in the future?**

Perhaps the chance to participate in some other meetings, as it would be helpful to gauge younger opinions on some issues too.

### **Did you find the ten hours target easily achievable?**

Most definitely, as there were lots of opportunities to gain the hours and meetings tend to be quite long.

### **What improvement, if any, would you make to the Scheme?**

- To be able to contribute in more meetings.
- To be able to get a photocopy of our logbooks afterwards.
