<u>Outstanding Actions</u>	<u>Update</u>
<p>Traffic Issues raised on White Hill Road</p> <p>The Dartford & Gravesham District Manager (KCC) advised that Emma Tilbury had emailed Tony Rana asking to meet on site to discuss the issues at Whitehill and were awaiting confirmation of a date.</p>	Update to be provided at meeting.
<p>Issues Crossing Valley Drive</p> <p>The Dartford & Gravesham District Manager (KCC) informed the board that having looked at past data there had not been many reported crossing issues in Valley Drive and therefore he was still looking into the types of issues the crossing posed.</p>	Update to be provided at meeting.
<p>Improvements to Northfleet Roundabout</p> <p>The Dartford & Gravesham District Manager (KCC) confirmed that a street works team were looking into the improvements for the roundabout and discussions were ongoing about the placement of a refurbished anchor to be placed there. The Chair requested that an update be fed back to County Cllr Sullivan regarding the anchor.</p>	Update to be provided at meeting.
<p>Perry Street – White lines</p> <p>Work scheduled for 15 September</p>	Update to be provided at meeting.
<p>Whitehill School – Zebra Crossing</p> <p>The Dartford & Gravesham District Manager (KCC) informed the board that Emma Tilbury had emailed Tony Rana asking to meet on site to discuss the issues at Whitehill and was awaiting a response.</p>	Update to be provided at meeting.

<p>Valley Drive turn into Marling Way</p> <p>The Dartford & Gravesham District Manager (KCC) advised that due to Lower Thames Crossing being with the Planning Inspector, he was unable to give an update on the list of roads included within the scheme at present. The Chair asked when it was expected that the planning inspectors would be able to give a further update in relation to the turning from Marling Way into Valley Drive. The Dartford & Gravesham District Manager advised that as the whole Lower Thames Crossing project was with the inspectors, only once passed, the matter of the turning could be investigated further.</p>	<p>Update to be provided at meeting.</p>
<p>Bus Gate – Barrack Row</p> <p>The Dartford & Gravesham District Manager (KCC) updated the board that this was out for procurement, so there was no further update at this stage.</p>	<p>Update to be provided at meeting.</p>
<p>KCC Pothole Blitz – Southern Water</p> <p>Members noted that as public money was spent maintaining the highway and repairing potholes, there should be an expectation that utility companies are responsible for carrying out the necessary repairs for any damage they caused. The Dartford & Gravesham District Manager (KCC) advised that prior to pothole blitzes, utility companies were made aware of upcoming works, to encourage them to carry out any planned works beforehand.</p> <p>The Chair requested that an update on conversations with Southern Water be provided at the next meeting of the Gravesham Joint Transportation Board.</p>	<p>Update to be provided at meeting.</p>

<p>Traffic Calming Solutions in Sole Street</p> <p>The Dartford & Gravesham District Manager (KCC) agreed to look further into average speed cameras.</p> <p>The Chair asked if The Dartford & Gravesham District Manager (KCC) could report back to County Councillor Bryan Sweetland, Parish Councillor Russell Nichols and himself, outside of the meeting but also feed back to the board at the next meeting</p>	<p>Update to be provided at meeting.</p>
<p>ATC Speed Checks</p> <p>County Councillor Conrad Broadley updated the board that ATC speed checks would be carried out in Springhead and Hever Court Road, which would be followed up at the next meeting.</p>	<p>Update to be provided at meeting.</p>
<p>Tree Stump/Pavement Damage Hillingdon Road</p> <p>A large tree stump in Hillingdon Road which had caused the pavement to lift in places, making the pavement very dangerous for elderly residents and children attending the nearby school. It was noted that urgent action was required and that this matter be followed up in the next meeting.</p>	<p>Update to be provided at meeting.</p>
