9. Minutes**Minute 8 – 8.6.2011**

The Assistant Director (Governance & Law) advised that as the Monitoring Officer he has not yet received a letter from the Information Commissioner's Office requesting payment for Member registrations.

The Minutes of the meeting held on 8 June 2011 were signed by the Chair.

10. Declarations of Interest

No declarations of interest were made.

11. The Localism Act 2011 and the Standards Regime

The regulatory role of Standards for England ceased to exist on 31 January 2012 and from that date they no longer have powers to accept new referrals from local Standards Committees or conduct investigations into complaints against Members. Their role in providing guidance on the existing Standards framework also ceased.

The replacement scheme has yet to be defined but we will have to adopt a code of some form. Although we have an option to have a Standards Committee it will be different to the current Committee as it is suggested that we have an ordinary Committee of the Council, the same as any other which will have to be politically balanced unlike the current statutory Committee.

A number of draft codes dealing with Member conduct have been produced by various national bodies and it is anticipated we will adopt a Kent-wide code. The Kent Solicitors

Group is setting up a sub-group to look at the proposed codes and agree a code which can be adopted across Kent.

The current statutory Standards Committee will need to remain in place until 1 July 2012 or when the new regime comes in. The Monitoring Officer therefore suggested that Annual Council in May should re-appoint the existing Committee until July and at the same time identify a new Ordinary Standards Committee to take over from the Statutory Committee from July onwards.

The reason for the need to have two Committees appointed at the May meeting is that the new Standards Committee will need to be politically balanced which will affect the overall political balance across all the Council's Committees. To avoid the need to politically re-balance all the Committees in July it is advised that an Ordinary Standards Committee be established at the May meeting in line with the political balance rules.

Recommended that at the Annual Meeting of the Council:-

- (1) the Statutory Committee be re-appointed to serve until the 1 July 2012 or until the new regime is in place whichever is the earlier; and**
- (2) a new Standards Committee be appointed to succeed the Statutory Committee in due course.**

12. Amendments to the Council Procedure Rules and Access To Information Procedure Rules in the interests of efficiency

The report recommends that the changes set out below are adopted by the Council.

Paragraph 5.2 (2) (a) of the Council Procedure Rules allows the Chair of a Committee to reserve an item or items for debate at Council where the papers accompanying the summons do not in his or her opinion give an accurate statement of that body's proceedings and could lead to minutes being amended by Members who were not present at the Committee meeting. It is therefore proposed that this provision be removed.

Paragraph 9.2 of the Council Procedure Rules relates to the summoning of Members to meetings by post or by a hard copy summons left at a Member's usual place of residence. It is proposed that Members be summoned by e-mail to realise significant savings. Hard copies will still be available for collection by Members.

Recommended that the changes be approved by Full Council.

Close of meeting

The meeting ended at 8.20pm.

Gravesham Borough Council

Report to: Standards Committee
Date: 24 September 2012
Reporting officer: Monitoring Officer
Subject: The Localism Act 2011 and Code of Conduct

Purpose and summary of report:

To consider the adoption of a new code of conduct and associated implementation of the new standards regime under the Localism Act 2011.

Recommendations:

1. That the Council adopts forthwith the Kent Code of Conduct;
2. That the Council adopts forthwith the Kent Procedures for dealing with allegations of non-compliance with the Code, with a three-member sub-committee of the Standards Committee as a 'Hearings Panel';
3. That the Monitoring Officer be authorised to make amendments to the Constitution and the terms of reference to reflect the adoption of the Kent Code of Conduct and Kent arrangements;
4. That the Monitoring Officer be authorised to recruit an independent person.

INTRODUCTION

1. The provisions of the Localism Act 2011 ('the Act'), which replace the existing Standards arrangements set out in the Local Government Act 2000, came into effect on 1 July 2012. The main differences from the old arrangements are the absence of a central regulatory authority and the removal of sanctioning powers. The Act permits a fairly high level of local choice in how councils wish to manage their arrangements for dealing with member conduct issues in the future.
2. This report sets out the key elements of the legislation, together with recommendations and options for how these statutory requirements could be met.
3. The Act repeals the 'standards arrangements' under the Local Government Act 2000 and in particular it abolishes Standards for England, meaning there is no longer a national regulator of local government standards. It also abolishes the requirement for councils to adopt a national model Code of Conduct and the requirement to have a statutory Standards Committee and related complaints' framework.

THE NEW STATUTORY FRAMEWORK AND OBLIGATIONS UNDER THE ACT

4. The key obligations set out in the Localism Act in respect of Standards are as follows:
 - (a) The Council must promote and maintain high standards of conduct by members and co-opted members of the authority;
 - (b) The Council must adopt a Code of Conduct consistent with the Nolan Principles of Conduct in Public Life;
 - (c) The Council must have arrangements for investigating allegations of failure to comply with the Code and for taking decisions on those allegations;
 - (d) The Council must seek the views of an independent person, and take them into account before a decision on the outcome of an investigation is made;
 - (e) The Council is responsible for investigating and determining allegations against parish members in the area;
 - (f) There are no statutory sanctions under the legislation and therefore the actions available to deal with a failure to comply with the Code of Conduct are those within the Council's own authority at common law;
 - (g) All Council members within the area must register any disclosable pecuniary interests with the Monitoring Officer. Failure to do so, the provision of false information, or participation in decision-making where there is such an interest, will be a criminal offence.
5. In summary there are two main areas upon which to decide, being the Code of Conduct to be adopted and how the Council will fulfil the duty to promote and maintain high standards of conduct (and its arrangements for investigating allegations of a failure to comply).

CODE OF CONDUCT

6. The Act provides that the Council must have a Code of Conduct for members and co-opted members. The Code must be based on the Nolan Principles of Conduct in Public Life, however within these parameters councils have the freedom to adopt a Code of their choosing. As a result a number of draft Codes have been produced either by relevant Local Government groups such as the Association of Council Secretaries and Solicitors (ACSeS), National Association of Local Councils (NALC) or by councils individually or as regional groups of councils. In that regard the Kent Secretaries' Group has produced a 'Kent Code' for use by all local authorities in Kent.
7. The final regulations under the Act were published on the evening of 9 June 2012. It seems that Kent-wide the majority of district councils have decided to adopt the Kent Code. A copy of the Kent Code of Conduct is attached to this report.
8. The Kent Code is consistent with the Nolan principles and fully compliant with the Act. Adoption of this Code would have advantages of keeping acceptable and established minimum standards which are widely known; and of increased credibility, particularly as it is likely to be adopted across Kent by the districts, the County Council and many town and parish councils. Adoption of the Kent Code would also be especially important for members who are "dual-hatted" either at Borough/County or

Borough/parish level. It would enable a more adequate body of case law, consistent practices, guidance notes and principles to be established across the region. Further, while Kent councils work increasingly together at member and officer level on strategic boards, such as the Joint Transportation Board it is helpful if the same rules apply. This paper therefore recommends that the Council adopt the Kent Code of Conduct.

PECUNIARY INTERESTS

9. The declaration of pecuniary interests, their entry into the Register of Interests and non-participation in decision-making which could affect those interests (unless a dispensation has been obtained) are areas where members have to be particularly vigilant as failure to comply is a potential criminal offence. Under the Act, the Monitoring Officer is responsible for receiving notifications of interest and their entry in the register, and will ensure that clear guidance and advice is provided to assist members in fulfilling the statutory requirements. Members will recall my letter earlier this year enclosing disclosure forms.

SANCTIONS FOR BREACH OF THE CODE OF CONDUCT

10. The Localism Act abolishes all statutory sanctions including the sanction to suspend a member for up to six months. Under a future regime only common law sanctions would be available when dealing with a member who has breached the Code of Conduct. This will include the ability for the Council to publically censure by publishing the name of a councillor who has been found to have breached the Code and the circumstances of that breach, make recommendations (rather than insist) of training and mediation and rely on political groups to assert party discipline on their members (which could include removing a particular member from a committee).

PROCEDURE FOR INVESTIGATING COMPLAINTS

11. The Act obliges councils to have a procedure for dealing with allegations that a member has breached the Code of Conduct. The Act gives substantial freedom for such procedures to be developed locally. The Council also needs to decide which Committee is to have oversight of such procedures and of course it has already decided to adopt a Standards Committee for this purpose. It is recommended that the 'Hearing Panel' required by the procedures be made up of any three members of the Standards Committee. This flexibility in membership, as compared to having a fixed three member panel, is more likely to permit panels to be called at short notice. It is also likely to promote confidence in the system more readily, with no small group of members having policing rights over the rest.
12. A set of procedures has been developed across Kent to complement the Kent Code. That model set of 'Kent Procedures' is attached. Compared to the former compulsory system, the Kent Procedures are much more flexible, will be cheaper in practice and fairer, allow greater expedition and transparency for members who are the subject of a complaint. The advantages of adopting the Kent Procedures mirror those in respect of the Kent Code set out at paragraph 8. There is currently no widely agreed alternative model to the Kent Procedures and therefore the alternative to adoption of the Kent Procedures is for this Council to draft its own procedures. This report recommends adoption of the Kent Procedures.

THE INDEPENDENT PERSON

13. The Act sets out a requirement that an 'independent person' plays a role in any procedures designed for investigating allegations that a member has breached the

Code of Conduct. The independent person's views must be sought and taken into account prior to a decision being made following an investigation into a complaint.

14. The Act requires arrangements to be put in place for the appointment of at least one independent person, either externally recruited or, under transitional provisions, a former member of a Standards Committee. This independent person should not be confused with independent co-opted members. It is recommended that authority to recruit an Independent Person be delegated to the Monitoring Officer.

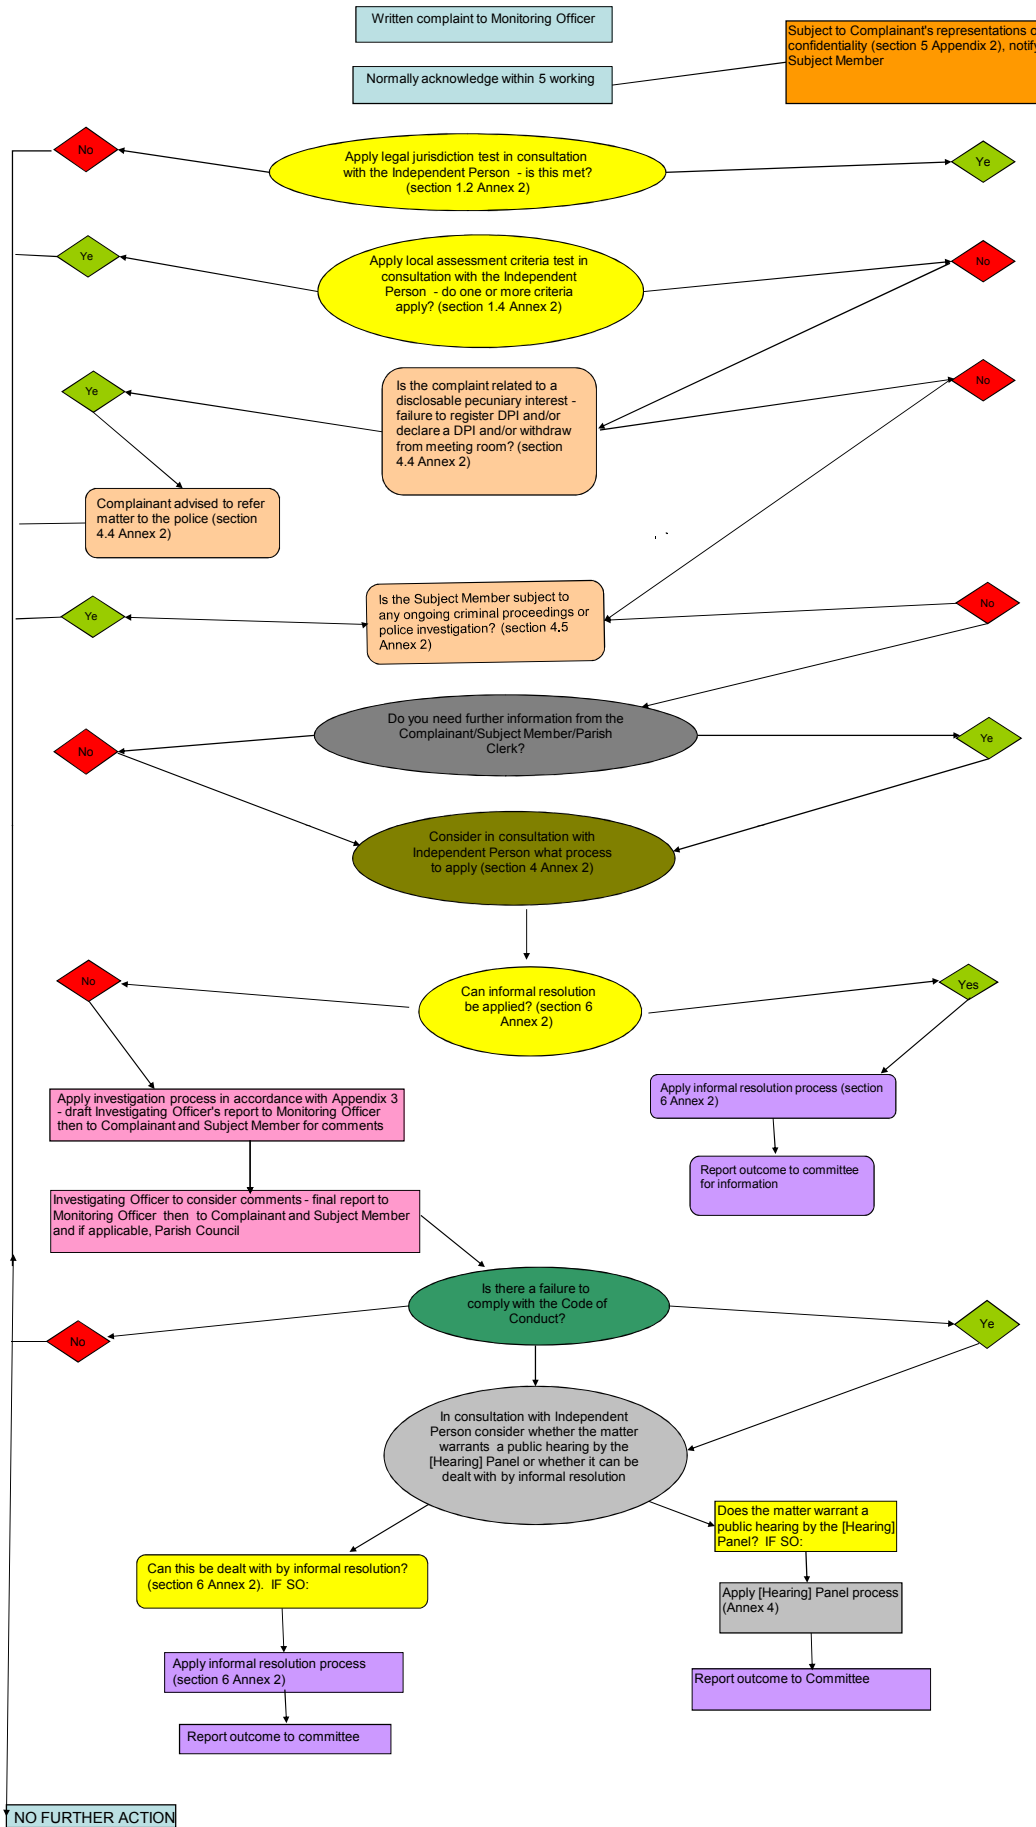

DUTY TO PROMOTE AND MAINTAIN HIGH STANDARDS OF CONDUCT AND OPTIONS FOR OVERSEEING THE FUNCTIONS UNDER THE LOCALISM ACT 2011

15. The duty to promote and maintain high standards of conduct required under the Act is essentially the same as the general duty under the Local Government Act 2000. The fulfillment of this duty is the responsibility of the Standards Committee and it is recommended that the Monitoring Officer be authorised to adjust the terms of reference of the Committee as necessary to put this into effect.
16. It should be noted that the Monitoring Officer will have greater powers to reject vexatious and frivolous complaints and also personally to deal with less serious complaints without the need to refer these to a sub-committee. Therefore there will be much less potential work for a sub-committee under the new arrangements, with sub-committees called to determine only in serious cases.

(1) You must, before the end of 28 days beginning with the day you become a Member or Co-opted Member of the Authority, or before the end of 28 days beginning with the day on which this Code takes effect (whichever is the later), notify the Monitoring Officer of any Disclosable Pecuniary Interest.
- (2) In addition, you must, before the end of 28 days beginning with the day you become aware of any new Disclosable Pecuniary Interest or change to any interest already registered, register details of that new interest or change, by providing written notification to the Monitoring Officer.
- (3) Where you have a Disclosable Pecuniary Interest in any matter to be dealt with, or being dealt with, by you acting alone in the course of discharging a function of the Authority (including making a decision in relation to the matter), then if the interest is not registered in the Register of Members' Interests and is not the subject of a pending notification, you must notify the Monitoring Officer before the end of 28 days beginning with the day you become aware of the existence of the interest.

Declaring Interests

5. (1) Whether or not a Disclosable Pecuniary Interest has been entered onto the Register of Members' Interests or is the subject of a pending notification, you must comply with the disclosure procedures set out below.
- (2) Where you are present at a Meeting and have a Disclosable Pecuniary Interest or Other Significant Interest in any matter to be considered, or being considered, at the Meeting, you must:
- (a) disclose the Interest; and
 - (b) explain the nature of that Interest at the commencement of that consideration or when the Interest becomes apparent (subject to paragraph 6, below); and unless you have been granted a dispensation or are acting under para 5(4):
 - (c) not participate in any discussion of, or vote taken on, the matter at the Meeting; and
 - (d) withdraw from the Meeting room in accordance with the Authority's Procedure Rules whenever it becomes apparent that the business is being considered; and
 - (e) not seek improperly to influence a decision about that business.
- (3) Where you have a Disclosable Pecuniary Interest or Other Significant Interest in any business of the Authority where you are acting alone in the course of discharging a function of the Authority (including making an executive decision), you must:
- (a) notify the Monitoring Officer of the interest and its nature as soon as it becomes apparent; and
 - (b) not take any steps, or any further steps, in relation to the matter except for the purpose of enabling the matter to be dealt with otherwise than by you; and
 - (c) not seek improperly to influence a decision about the matter.
- (4) Where you have an Other Significant Interest in any business of the Authority, you may attend a Meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the Meeting for the same purpose. Having made your representations, given evidence or answered questions you must:
- (a) not participate in any discussion of, or vote taken on, the matter at the Meeting; and
 - (b) withdraw from the Meeting room in accordance with the Authority's Procedure Rules.

Sensitive Interests

6. (1) Where you consider that the information relating to any of your Disclosable Pecuniary Interests is a Sensitive Interest, and the Monitoring Officer agrees, the Monitoring Officer will not include details of the Sensitive Interest on any copies of the Register of Members' Interests which are made available for inspection or any published version of the Register, but may include a statement that you have an interest, the details of which are withheld under this paragraph.
- (2) You must, before the end of 28 days beginning with the day you become aware of any change of circumstances which means that information excluded under paragraph 6(1) is no longer a Sensitive Interest, notify the Monitoring Officer asking that the information be included in the Register of Members' Interests.
- (3) The rules relating to disclosure of Interests in paragraphs 5(2) and (3) will apply, save that you will not be required to disclose the nature of the Sensitive Interest, but merely the fact that you hold an interest in the matter under discussion.

Gifts and Hospitality

7. (1) You must, before the end of 28 days beginning with the day of receipt/acceptance, notify the Monitoring Officer of any gift, benefit or hospitality with an estimated value of £100 or more, or a series of gifts, benefits and hospitality from the same or an associated source, with an estimated cumulative value of £100 or more, which are received and accepted by you (in any one calendar year) in the conduct of the business of the Authority, the business of the office to which you have been elected or appointed or when you are acting as representative of the Authority. You must also register the source of the gift, benefit or hospitality.
- (2) Where any gift, benefit or hospitality you have received or accepted relates to any matter to be considered, or being considered at a Meeting, you must disclose at the commencement of the Meeting or when the interest becomes apparent, the existence and nature of the gift, benefit or hospitality, the person or body who gave it to you and how the business under consideration relates to that person or body. You may participate in the discussion of the matter and in any vote taken on the matter, unless you have an Other Significant Interest, in which case the procedure in paragraph 5 above will apply.
- (3) You must continue to disclose the existence and nature of the gift, benefit or hospitality at a relevant Meeting, for 3 years from the date you first registered the gift, benefit or hospitality.
- (4) The duty to notify the Monitoring Officer does not apply where the gift, benefit or hospitality comes within any description approved by the Authority for this purpose.

Dispensations

- 8.(1) The [Standards] Committee, or any sub-committee of the [Standards] Committee, or the Monitoring Officer (where authorised) may, on a written request made to the Monitoring Officer (as appointed Proper Officer for the receipt of applications for dispensation) by a Member with an Interest, grant a dispensation relieving the Member from either or both of the restrictions on participating in discussions and in voting (referred to in paragraph 5 above).
- (2) A dispensation may be granted only if, after having had regard to all relevant circumstances, the [Standards] Committee, its sub-committee, or the Monitoring Officer (where authorised) considers that:
- (a) without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business; or
 - (b) without the dispensation, the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business; or
 - (c) granting the dispensation is in the interests of persons living in the Authority's area; or
 - (d) without the dispensation each member of the Authority's executive would be prohibited from participating in any particular business to be transacted by the Authority's executive; or
 - (e) it is otherwise appropriate to grant a dispensation.
- (3) A dispensation must specify the period for which it has effect, and the period specified may not exceed four years.

(4) Paragraph 5 above does not apply in relation to anything done for the purpose of deciding whether to grant a dispensation under this paragraph 8.

THE SEVEN PRINCIPLES OF PUBLIC LIFE

In accordance with the Localism Act 2011, and in order to help maintain public confidence in this Authority, you are committed to behaving in a manner that is consistent with the following principles.

SELFLESSNESS: You should act solely in terms of the public interest and never improperly confer an advantage or disadvantage on any person or act to gain financial or other material benefits for yourself, your family, a friend or close associate.

INTEGRITY: You should exercise independent judgment and not compromise your position by placing yourself under obligations to outside individuals or organisations who might seek to influence you in the performance of your official duties. You should behave in accordance with all legal obligations, alongside any requirements contained within this Authority's policies, protocols and procedures, including on the use of the Authority's resources. You should value your colleagues and staff and engage with them in an appropriate manner and one that underpins the mutual respect that is essential to good local government. You should treat people with respect, including the organisations and public you engage with and those you work alongside.

OBJECTIVITY: In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, you should make choices on merit. You should deal with representations or enquiries from residents, members of the communities and visitors fairly, appropriately and impartially. You should champion the needs of the whole community and especially your constituents, including those who did not vote for you.

ACCOUNTABILITY: You are accountable to the public for your decisions and actions and should fully co-operate with whatever scrutiny is appropriate to your office.

OPENNESS: You should be as open and as transparent as possible about all the decisions and actions that you take to enable residents to understand the reasoning behind those decisions and to be informed when holding you and other Members to account. You should give reasons for your decisions and restrict information only when the wider public interest or the law clearly demands it. You should listen to the interests of all parties, including relevant advice from statutory and other professional officers, taking all relevant information into consideration, remaining objective and making decisions on merit.

HONESTY: You have a duty to declare interests relating to your public duties and to take steps to resolve any conflicts arising in a way that protects the public interest. You should not allow other pressures, including the financial interests of yourself or others connected to you, to deter you from pursuing constituents' casework, the interests of the Authority's area or the good governance of the Authority in a proper manner.

LEADERSHIP: Through leadership and example you should promote and support high standards of conduct when serving in your public post. You should provide leadership through behaving in accordance with these principles when championing the interests of the community with other organisations as well as within this Authority.

PROCEDURE ON RECEIPT OF A COMPLAINT

1. Preliminary tests

1.1 The complaint will be assessed by the Monitoring Officer alone or in consultation with the Independent Person against the legal jurisdiction test in paragraph 1.2 and, if applicable, the local assessment criteria test in paragraph 1.4 below.

1.2 Legal jurisdiction criteria test:

- (a) Did the alleged conduct occur before the adoption of the Code of Conduct?
- (b) Was the person complained of a member of the Borough Council at the time of the alleged conduct?
- (c) Was the person complained of acting in an official capacity at the time of the alleged conduct?
- (d) Did the alleged conduct occur when the person complained of was acting as a member of another authority?
- (e) If the facts could be established as a matter of evidence, could the alleged conduct be capable of a breach of the Code of Conduct?
- (f) The complaint is about dissatisfaction with the Borough Council's decisions, policies and priorities, etc.

1.3 If the complaint fails one or more of the jurisdiction tests, no further action will be taken by the Monitoring Officer and the complaint will be rejected. The Complainant will be notified accordingly with reasons, within 10 working days of receipt of the complaint by the Monitoring Officer. There is no right of appeal against the Monitoring Officer's decision.

1.4 Local assessment criteria test:

If the complaint satisfies the jurisdiction test, the Monitoring Officer will then apply the following local assessment criteria test:

- (a) The complaint is a 'repeat complaint', unless supported by new or further evidence substantiating or indicating that the complaint is exceptionally serious or significant;
- (b) The complaint is anonymous, unless supported by independent documentary evidence substantiating or indicating that the complaint is exceptionally serious or significant;
- (c) No or insufficient information/evidence to substantiate the complaint has been submitted by the Complainant;
- (d) The complaint is malicious, trivial, politically motivated or 'tit-for-tat';
- (e) The Complainant is unreasonably persistent, malicious and/or vexatious;
- (f) The alleged misconduct happened more than 3 months ago;
- (g) The complaint is relatively minor and dealing with the complaint would have a disproportionate effect on both public money and officers' and Members' time;
- (h) The circumstances have changed so much that there would be little benefit arising from an investigation or other action;
- (i) The complaint has been the subject of an investigation or other action and there is nothing more to be gained by further action being taken;

- (j) The complaint is such that it is unlikely that an investigation will be able to come to a firm conclusion on the matter, e.g. where there is no firm evidence on the matter;
- (k) The complaint is about a deceased person;
- (l) The complaint is about a person who is no longer a Borough Councillor or Co-opted Member.

1.5 If one or more of the local assessment criteria applies to the complaint, no further action will be taken by the Monitoring Officer and the complaint will be rejected. The Complainant will be notified accordingly with reasons, within 10 working days of receipt of the complaint by the Monitoring Officer. There is no right of appeal against the Monitoring Officer's decision.

2. Notification of complaint to Subject Member

2.1 Subject to any representations from the Complainant on confidentiality (see paragraph 5 below), the Monitoring Officer will notify the Subject Member [and, if applicable, the Parish Clerk] of the complaint.

2.2 The Monitoring Officer may invite the Subject Member [and, if applicable, the Parish Clerk] to submit initial views on the complaint within 10 working days, which will be taken into account by the Monitoring Officer when they decide how to deal with the complaint (see paragraph 4 below). Views received from the Subject Member [and/or Parish Clerk] after the 10 working day time limit may be taken into account at the discretion of the Monitoring Officer, providing the views are received before the Monitoring Officer issues their written decision on how the complaint will be dealt with.

3. Asking for additional information

3.1 The Monitoring Officer may ask the Complainant and the Subject Member [and, if applicable, the Parish Clerk] for additional information before deciding how to deal with the complaint.

4. What process to apply - informal resolution or investigation and/or no action?

4.1 The Monitoring Officer may at any stage (whether without the need for an investigation or before or after the commencement or conclusion of an investigation) seek to resolve the complaint informally in accordance with paragraph 6 below. Where the Subject Member or the Monitoring Officer make a reasonable offer of informal resolution, but the Complainant is not willing to accept this offer, the Monitoring Officer will take account of this in deciding whether the complaint merits formal investigation.

4.2 The Monitoring Officer in consultation with the Independent Person may refer the complaint for investigation when:

- (a) it is serious enough, if proven, to justify the range of sanctions available to the [Standards] Committee (see paragraph 4 of Annex 4 to these Arrangements);
- (b) the Subject Member's behaviour is part of a continuing pattern of less serious misconduct that is unreasonably disrupting the business of the Borough Council and there is no other avenue left to deal with it short of investigation. In considering this, the Monitoring Officer may take into account the time that has passed since the alleged conduct occurred.

- 4.3 Where the complaint is referred for investigation, the Monitoring Officer will appoint an Investigating Officer who will conduct the investigation in accordance with the procedure at Annex 3 to these Arrangements.
- 4.4 If the complaint identifies potential criminal conduct or potential breach of other regulations by the Subject Member or any other person, the Complainant will be advised by the Monitoring Officer to report the complaint to the police or other prosecuting or regulatory authority. In such cases, the complaints process under these Arrangements will be suspended, pending a decision/action by the police or other prosecuting or regulatory authority. Where the police or other prosecuting or regulatory authority decide to take no action on the complaint, the Monitoring Officer will lift the suspension and, in consultation with the Independent Person, will apply the local assessment criteria test in paragraph 1.4 above.
- 4.5 The Monitoring Officer in consultation with the Independent Person, will take no action on the complaint when one or more of the following apply:
- (a) on-going criminal proceedings or a police investigation into the Subject Member's conduct or where the complaint is suspended in accordance with paragraph 4.4 above;
 - (b) investigation cannot be proceeded with, without investigating similar alleged conduct or needing to come to conclusions of fact about events which are also the subject of some other investigation or court proceedings;
 - (c) the investigation might prejudice another investigation or court proceedings;
 - (d) genuine long term (3 months or more) unavailability of a key party;
 - (e) serious illness of a key party.
- 4.6 Within 20 working days of receipt of the complaint, the Monitoring Officer will notify the Complainant, Subject Member [and, if applicable, the Parish Clerk] of their decision and reasons for applying one of the following processes in the format of the Decision Notice template (appended to this Annex 2):
- (a) not to refer the complaint for investigation; or
 - (b) to refer the complaint for investigation; or
 - (c) to apply the informal resolution process either before or after an investigation;
or
 - (d) to refer the complaint to the relevant political group leader for action.
- 4.7 The decision notice will be published on the Borough Council's website. There is no right of appeal against the Monitoring Officer's decision. However, in the event that the Complainant submits additional relevant information, the Monitoring Officer will consider and decide if the matter warrants further consideration under these Arrangements, in which case it shall be treated as a fresh complaint.

5. Confidentiality

- 5.1 If the Complainant has asked for their identity to be withheld, this request will be considered by the Monitoring Officer in consultation with the Independent Person when they initially assess the complaint (see paragraph 1 above).
- 5.2 As a matter of fairness and natural justice, the Subject Member will usually be told who the Complainant is and will also receive details of the complaint. However, in exceptional circumstances, it may be appropriate to keep the Complainant's identity confidential or not disclose details of the complaint to the Subject Member during the early stages of an investigation. The Monitoring Officer may withhold the Complainant's identity and/or details of the complaint if they are satisfied that there are reasonable grounds for believing that the Complainant or any other person (e.g. a witness):
- (a) is either vulnerable or at risk of threat, harm or reprisal;
 - (b) may suffer intimidation or be victimised or harassed;
 - (c) works closely with the Subject Member and are afraid of the consequences, e.g. fear of losing their job;
 - (d) suffers from a serious health condition and there are medical risks associated with their identity being disclosed (medical evidence will need to be provided to substantiate this);
 - (e) may receive less favourable treatment because of the seniority of the person they are complaining about in terms of any existing Borough Council service provision or any tender/contract they may have with or are about to submit to the Borough Council.

OR where early disclosure of the complaint:

- (a) may lead to evidence being compromised or destroyed; or
- (b) may impede or prejudice the investigation; or
- (c) would not be in the public interest.

5.3 Relevant public interest factors favouring disclosure (not an exhaustive list) include:

- (a) to facilitate transparency and ethical governance accountability: recognising that decision-making may be improved by constructive contributions from others;
- (b) to raise public awareness: disclosing the complaint or part of it may inform the community about matters of general concern;
- (c) justice to an individual: the balance of the public interest may favour disclosure of the complaint to the Subject Member when it may not be in the public interest to disclose it to the world at large;
- (d) bringing out in the open serious concerns about the behaviour/conduct of an individual.

5.4 The Monitoring Officer, in consultation with the Independent Person, will balance whether the public interest in accepting the complaint outweighs the Complainant's wish to have their identity (or that of another person) withheld from the Subject Member. If the Monitoring Officer decides to refuse the Complainant's request for confidentiality, they will offer the Complainant the option to withdraw their complaint. The Complainant will be notified of the Monitoring Officer's decision, with reasons, within 15 working days of receipt of the complaint by the Monitoring Officer. There is no right of appeal against the Monitoring Officer's decision to refuse the Complainant's request for confidentiality.

6. Informal resolution

6.1 The Monitoring Officer may, after consultation with the Independent Person, seek to resolve a complaint informally at any stage in the process, whether without the need for an investigation or before or after an investigation has been commenced or concluded. In so doing, the Monitoring Officer will consult with the Complainant and the Subject Member to agree what they consider to be a fair resolution, which will help to ensure higher standards of conduct for the future.

6.2 Informal resolution may be the simplest and most cost effective way of resolving the complaint and may be appropriate where:

- (a) The Subject Member appears to have a poor understanding of the Code of Conduct and/or related Borough Council procedures; or
- (b) There appears to be a breakdown in the relationship between the Complainant and the Subject Member; or
- (c) The conduct complained of appears to be a symptom of wider underlying conflicts which, if unresolved, are likely to lead to further misconduct or allegations of misconduct; or
- (d) The conduct complained of appears common to a number of members of the Borough Council, demonstrating a lack of awareness, experience or recognition of the particular provisions of the Code of Conduct and/or other Borough Council procedures, etc; or
- (e) The conduct complained of appears to the Monitoring Officer not to require a formal sanction; or
- (f) The complaint appears to reveal a lack of guidance, protocols and procedures within the Borough Council; or
- (g) The Complainant and the Subject Member are amenable to engaging in an informal resolution; or
- (h) The complaint consists of allegations and retaliatory allegations between councillors; or
- (i) The complaint consists of allegations about how formal meetings are conducted; or
- (j) The conduct complained of may be due to misleading, unclear or misunderstood advice from officers.

6.3 Informal resolution may consist of one or more of the following actions, which do not have to be limited to the Subject Member, but may extend to other councillors including the whole Borough Council where it may be useful to address systemic behaviour:

- (a) training;
- (b) conciliation/mediation;
- (c) mentoring;
- (d) apology;
- (e) instituting changes to the Borough Council's procedures;

- (f) conflict management;
- (g) development of the Borough Council's protocols;
- (h) other remedial action by the Borough Council;
- (i) other steps (other than investigation) if it appears appropriate to the Monitoring Officer in consultation with the Independent Person.

6.4 If the Subject Member is agreeable to and complies with the informal resolution process, the Monitoring Officer will report the matter to the [Standards] Committee [and, if applicable, the Parish Council] for information, but will take no further action.

6.5 Where the Subject Member will not participate in the informal resolution process or if, having agreed to one or more actions under the informal resolution process, the Subject Member refuses or fails to carry out any agreed action, the Monitoring Officer will report the matter to the [Standards] Committee.

There is no right of appeal against the Monitoring Officer's decision.

3.3 Where, on the basis of the Investigating Officer's report, the Monitoring Officer, having consulted with the Independent Person, concludes that there is evidence of a failure to comply with the Code of Conduct, they will either:
