**Topic: Solohaus Pods**

It was agreed that:

1. Cabinet acknowledge and accept the donation of eight Solohaus pods from the Hill Group.
2. Cabinet delegates authority to Director (Housing) in consultation with the Director (Corporate Services) as Section 151 Officer, Monitoring Officer and Cabinet Member for Housing Services to identify a garage site to accommodate the location of the SoloHaus pods and undertake all necessary legal arrangements related to this.
3. Cabinet authorises the Director (Corporate Services) to recognise the assets within the council's financial records and adjust General Fund and Housing Revenue Account revenue budget provisions, accordingly, as proposed in section 5 of the report.

**REASON/S FOR THE DECISION:**

The creation of a dedicated and council-controlled move on pathway for former rough sleepers will have a wide-reaching positive impact, as not only will it benefit those who are ready to take the next steps in becoming independent, but it will also increase the availability of bedspaces within existing rough sleeper accommodation locally, whilst also assisting the council in reducing temporary accommodation spend.
