Gravesham Borough Council

Equality Policy

1. Introduction

Gravesham Borough Council recognises and values the diversity of its communities, workforce and Members.

This policy outlines our commitment to developing opportunities for inclusion and cohesion so that everyone feels they can contribute and participate in the social, cultural and economic life of the Borough.

Under the Equality Act 2010 public authorities have legal duties to:

- Eliminate discrimination, harassment and victimisation and any other conduct that is prohibited by or under the Act.
- Advance equality of opportunity between people who share a relevant protected characteristic and people who do not share it.
- Foster good relations between people who share a relevant protected characteristic and those who do not share it.

The act sets out a list of protected characteristics:

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion or belief
- sex
- sexual orientation.

2. Equality Policy Aims and Vision

The council acknowledges and welcomes its legal duties and is proud to commit its ambitions to not only exceed its statutory duties but to deliver positive outcomes across its services.

This policy provides a clear commitment to achieving equality of opportunity in all of our activities including in the delivery of services to the community, as an employer and as a community leader.

We understand equality to be about fair and equal treatment for all but that this may require responding to individuals or groups differently to meet their needs or address differing levels of disadvantage and discrimination.

3. Council Equality Objectives and commitments

Under the Public Sector Equality Duty, the council is required to publish information each year to demonstrate compliance with the duty and to set at least one equality objective every four years.

The council's equality objectives have been revised and form an integral part of the new equality policy. These are not limited and can be revised and expanded to take account of emerging needs and local priorities.

The objectives for 2021-24 are:

- Understanding our communities and workforce and how people could be disadvantaged or discriminated against because of a protected characteristic
- Building a cohesive and inclusive borough as a service provider, employer and community leader

The Council will:

- Collect and publish information annually in the Community Data Profile which will enable Members, officers and services to be better informed about the make up of the communities they serve
- Develop council systems to capture reliable equality data which will inform decision making, ensuring a clear understanding of service users or, of services which are not being fully accessed by some groups of the community, thereby enabling further work to understand these gaps
- Deliver effective engagement to obtain the views of a wide cross-section of people who live and work in the Borough; ensuring two way dialogue and active involvement in matters that are important or affect the wider community
- Encourage participation in local democracy from under-represented groups to ensure all voices are heard and there is a clear understanding of the needs and views of the whole community
- Appoint a Member Champion to support Political and Executive commitment to reducing inequality, ensuring Equalities is at the heart of services and decisions.
- Set and publish annual equalities objectives for the Council, meeting our duty under the Equality Act and ensuring ongoing commitment and focus of our responsibilities

- Support a robust Equality Impact Assessment for all key decisions and service planning; ensuring due regard has been given to any potential impacts arising as a result of those decisions
- Produce an annual report assessing and evidencing the delivery of equality objectives across the council; ensuring transparency, learning and improvement in line with our commitment
- Integrate equalities objectives into service planning; ensuring equalities is embedded in service delivery at all levels
- Monitor service delivery to ensure all services are accessible and inclusive; identifying barriers and taking steps to address them
- Engaging our service users to identify improvements and ensure services meet the needs of all residents
- Encourage diversity within Elected Members and our workforce, representative of the local community and to collate and publish workforce data
- Ensure our workforce strategies encourage a supportive and inclusive working environment and present a range of accessible learning and development opportunities to support councillors and officers in achieving equality objectives and outcomes
- Build a positive health and wellbeing culture throughout the Council

The Equalities Objectives Action Plan within this policy, sets out how we will deliver and achieve these objectives. This work has been developed to support the Equality Framework for Local Government which helps councils to plan, implement and deliver real equality outcomes for employees and the community.

4. Monitoring and review

This council has implemented a “Golden Thread” to help deliver on its ambitions for the Borough. This is a continuous cycle connecting the corporate aims, policy framework and delivery plans of the council, with the actions of Members, officers and partners at all levels. This Equalities Policy is an integral part of this cycle.

Progress of work to deliver against the action plan will be regularly reviewed through an officer working group and reported annually to the Council's Management Team Committee and Cabinet.
