

**Question from John Milner (Gravesham and Dartford Extinction Rebellion)**

If the Council is still in support of the London Resort Scheme, can you explain why? In view of:-

- a) LR withdrawing their DCO application (for now)
- b) BBC and ITV have pulled out
- c) Dartford Council and Buglife are opposed
- d) Save Swanscombe Peninsula Group has 1.6k local residents amongst its numbers
- e) The area is an important SSSI and we are in a biodiversity emergency
- f) There are 3000 existing skilled jobs in the area which will not be surpassed by the suggested 6000 "popcorn selling" jobs

Thanks
