

**ANNUAL REPORT OF THE CHAIR OF THE
FINANCE & AUDIT COMMITTEE 2021/22**

FOREWORD

I am pleased to provide my annual report to the Cabinet regarding the work of the Finance and Audit Committee, which details the achievements of the Committee in 2021/22. This is my second annual report since joining the Committee as Chair.

As always both myself and the Committee have received significant support and guidance from the all officers, in particular Sarah Parfitt (Director Corporate Services), Lisa Nyon - Assistant Director (Corporate Services), Andrew Barnett - Principal Accountant (General Fund), Alexandra Jarvis - Principal Accountant (HRA & Exchequer) and their teams for not only managing the finances of the borough but also providing and presenting complex information in simple language terms to members and the public to understand the authority's financial situation which helps the Committee in its scrutiny of the authority's finance and governance arrangements.

I'd like to thank James Larkin (Head of Audit & Counter Fraud Shared Services) and his team who have continued to keep us well informed and advised throughout the year.

To support the members in their governance role, officers have provided training to all members in:

- Risk Management
- Treasury Management

No committee could function adequately without a good inquisitive team, and I would like to thank all members of the committee from all parties, for their support. Finally, my thanks to the Committee Services Team for ensuring the accuracy of minutes taken at the meetings and for making sure we receive all papers in a timely way.

The remit of the Finance and Audit Committee covers the following aspects:-

- Receiving and considering the content of reports from Internal Audit
- Receiving and considering reports from the council's External Auditor
- Ensuring that management teams take appropriate actions to implement the recommendations contained in these reports
- Scrutiny of specific Service Groups to ensure that audit requirements and recommendations are being met
- Receiving reports on risk management and governance issues
- Having responsibility for ensuring that the Annual Statement of Accounts and the Annual Governance Statement present a fair and accurate position of the council
- Having regard for the Annual Audit Letter provided by the council's External Auditor.

The reports that have been scrutinised over the last twelve months include:

- Council's Fraud Detection Activity
- Reports from Internal Audit
- Strategic risk register
- Annual Governance Statement

- Financial matters including arrears
- Compliance with CIPFA Financial Management Code
- Appointment of External Auditors

We will continue to highlight the role and purpose of The Finance and Audit Committee across the authority and establish further training requirements as needed.

We will continue to value our relationship with our internal and external auditors, and we will also continue to ensure that all recommendations in relation to audit reviews are implemented in a timely manner.

I look forward once again to leading this committee with the help of all members through these trying times. Together we will succeed.

Councillor Gurbax Singh
Chair of the Audit & Accounts Committee 2021/22
