Key Implications:	
Item	Implications
Legal	The Accounts & Audit Regulations 2015 require local authorities to: undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance. The Section 151 Officer of a local authority is responsible for establishing the internal audit service. Gravesham Borough Council has delegated this responsibility to the Section 151 Officer of Medway Council to deliver internal audit services through the Shared Service to both authorities.
Finance and Value for Money	An adequate and effective Internal Audit function provides the council with assurance on the proper, economic, efficient and effective use of council resources in delivery of services. The budgeted costs for the Internal Audit elements of the Shared Service are £385,401 with Gravesham's share of these costs being £138,744.
Corporate Plan	The work of the Internal Audit supports the council in achieving all of its objectives set out in the Corporate Plan but is particularly relevant to Objective #3 Progress.
Climate Change	There are no direct climate change implications to this report.

2. Internal Audit Update Report

- 2.1 The report at Appendix 2 is the second of three updates to be produced during 2022-23; detailing the work undertaken by the Internal Audit Team between 01 August and 30 September and the progress made against the Q1-Q2 workplan.
- 2.2 While this update relates to progress against the agreed plan for Q1-Q2, the percentage outturns for plan delivery and plan underway, detailed in section 6, are reflective of the number of reviews expected to be undertaken during the full year, although do take into account the revisions to the Q1-Q2 plan agreed by the Committee at the September 2022 meeting.
- 2.3 Section eight of the update report includes details of actions that are more than six months overdue. Services have provided updates in relation to these actions and the reasons for delayed implementation. Revised implementation dates agreed by Management Team are detailed where appropriate.
