Comments on representation

The comments on the other premises in the area are not relevant to our shop's operation.

Premises will have a litter patrol every day to remove any litter accumulated from the premises if any.

Premises has a strong training program submitted to the committee to avoid antisocial behaviour.

Some of the representations are based on speculation.

As Applicant, we have a challenge 25 policy so will not sell to persons who are underage and therefore the broken glass issue should not arise.

Longer opening hours would help the local residents who works evening shifts and professionals who work for longer hours can find some food or drink or their essential supplies on their way home in their locality.

Staff will ask members of the public not to loiter outside the premises to prevent nuisance.

Premises will not serve to drunks.

We feel the training program addresses issues relating to running of a Convenience Store and will ensure all Licensing objectives met.

As per guidance we feel police are experts regarding law and disorder and Environmental authority are experts on antisocial behaviour.

No responsible authorities have made representation.

Further elaboration at hearing.
