Hi Helen

Further to my email below I have yet to receive a response.

Therefore please accept this email as my formal objection, this is in relation to all four of the licensing objectives.

Thank you

Kind Regards,

Katie

Hi Shaun

Thank you for arranging a visit last Thursday.

1

After a discussion with the applicant, I now have a clearer understanding of what he intends to use the premise for.

Following the meeting I recommended that the hours for the Community Hall are mirrored to match the Convenience Store, therefore both parts of the premises will have Sale by Retail of Alcohol until Midnight.

I would like you to amend the operating schedule to include the below conditions:

‘There must not be direct internal access for customers from the Convenience Store and the Community Hall’

‘All Spirits for sale within the Convenience Store must be displayed behind the counter’

These will help to not negatively affect the licensing objectives.

Please let me know if you are in agreement, I will then be able to confirm that I have no objections to the granting of the licence.

Kind Regards,

Katie
