Introduction

The council maintains a comprehensive register of its partnerships and shared working arrangement that is reviewed on an annual basis.

Partnerships

The council defines a partnership as ***“an agreement between the Council and one or more independent bodies to work together to achieve the council’s Corporate objectives”***.

In addition to this, the council also splits the partnership register into ‘Significant’ and ‘Key other partnerships’. In order for a partnership to be classified as significant it must meet the following definition:

“A partnership for which there is a council resource provision of £50,000 or greater or one that is fundamental to the delivery of a corporate objective as established within the council’s Corporate Plan. Without this effective partnership therefore, the delivery of Gravesham Borough Council’s key corporate goals would not occur. This will also include those partnerships that have been established to deliver legal or statutory requirements on behalf of the council.”

The council is currently involved in the following partnerships:

Working Groups

The council is currently involved in the following working groups:

Gravesham Borough Council
Register of Partnerships and Shared Working Arrangements
July 2024

<p>Governance arrangements</p>	<p>The Investment Partnership will be overseen by a Board, initially made up of seven Members (four from GBC and three from Hill). The Chair of the Board will be appointed by the Board. Board meetings are to be held monthly for the first 12 months and at least every three months thereafter.</p> <p>The Investment Partnership is served by a small project team (an Investment Team) as directed by the Board. The Investment Team will consist of at least two representatives from GBC and Hill, although both are permitted to appoint a maximum of three representatives to the Investment team. The Investment Team manages the operation of the partnership with representatives overseeing the consultants and supply chain.</p> <p>A formal agreement is in place (signed February 2023) which sets out detailed governance arrangements in place for the partnership. The formal agreement sets out the exit arrangements should either party wish to withdraw from the partnership.</p> <p>The Investment Partnership will have a Business Plan, the first of which will be put in place six months after the formal agreement is signed and will then be reviewed on at least an annual basis, or more frequently where new projects are approved.</p>
<p>Financial reporting arrangements and timeframe for reporting</p>	<p>The partnership has its own specific financial account, and all payments must be jointly approved by GBC and Hill Group. The partnership has authority to borrow monies as necessary, subject to approval of the Members.</p> <p>Draft annual accounts are to be provided to the council's S151 officer for the partnership and any subsidiary bodies within 6 weeks of the end of the accounting period with annual audited accounts 14 weeks after the end of the accounting period.</p> <p>Quarterly management accounts will also be provided within three weeks of the end of the accounting period.</p>

<p>Risk Assessment</p>	<p>Whilst establishing an Investment Partnership is deemed to be a positive step forward for the Council, it must be noted that it does not mitigate any of the risks associated with the development of housing such as contaminated land, increasing build costs, etc. The IP does allow these risks to be shared with the partner and to be effectively mitigated with the Council benefiting from the development skills, experience, knowledge, and staff capacity of the partner.</p> <p>The Hill Group have also already established a successful Investment Partnership in Cambridge and as such, have experience in this field.</p>
<p>Safeguarding Obligations</p>	<p>There are no specific Safeguarding obligations resulting from this partnership.</p>
<p>Equalities Obligations</p>	<p>There are no direct equality implications in establishing an Investment Partnership, but the redevelopment of individual sites and the effective realisation of the Council's land and property assets will release funding to assist the Council to pursue its equality policies.</p>
<p>Climate Change Considerations</p>	<p>The Council's Climate Change Strategy and Delivery Plan include the specific intention of the council to ensure that all projects to deliver new council-owned housing target the achievement of net zero standards and include provision for electric vehicle charging. This principle will be adopted by any Investment Partnership established by the council.</p>

Name of Partnership	Kent County Council. Delivery of Disabled Facility Grants via Town & Country Housing Group
Responsible Officer	Vicky May, Head of Housing Options
Lead Member(s)	Councillor Karina O'Malley, Lead Member for Housing Services
Statutory Status	Statutory. Contributing to the Mandatory Disabled Facility Grants which is a statutory requirement. Having a Housing Improvement Agency for delivery of the service is not statutory.
Aims and objectives of partnership	To make the Disabled Facility Grants delivery process a collective throughout Kent, by outsourcing the contract administration of the grant delivery process and enabling the local authority to oversee the works delivery and manage the budgetary role.
Expected outcomes	The outcome for the council is the Disabled Facility Grants process is mainly administered via a third party, freeing up inhouse resources to perform other duties required from the discretionary Disabled Facility Grants and Better Care Fund element of the policy. The outcome for the community is a streamlined, well run Disabled Facility Grants process.
Links to GBC Corporate Objectives	<i>#oneborough a safe, clean, and attractive living environment, enhanced by a sustainable and increasingly energized local economy.</i> The partnership meets the Corporate Plan by helping vulnerable residents whose property is in need of adaptation to feel safe in their own homes. Helping them to access their community. GBC Resources (financial, officer, assets etc.)	The council has 2 FTE Officers who assist with the Disabled Facility Grants process from referral to approval.
