

Items called in from the Cabinet meeting on 09 September 2024

*Please bring the Cabinet agenda for Monday, 09 September 2024 previously circulated to Members.*

**Item 11 – Climate Change Update**

**Reasons:**

- To better understand and explore the challenges that the Council faces in decarbonising its own operations.
- To assess if the strategy is delivering value for money.
- To consider the viability of the strategy continuing against the backdrop of savings required to balance the next budget.

**Officer:** Sarah Parfitt, Director (Corporate Services)
