## 1. Introduction

- 1.1 The council is increasingly working in partnership with local organisations, groups, other public, private and 'third sector' bodies to achieve its objectives for the local community. This was further amplified during the council's, and the community's, response to the COVID pandemic.
- 1.2 The council has a *Corporate Register of Partnerships and Shared Working Arrangements* which provides a central record of partnerships in which the council is involved. The register is available on the council website and is reviewed and updated on an annual basis.
- 1.3 Following approval of the revised *Working in Partnership Framework* by Full Council in April 2024, the register also includes details of officer working groups where applicable.
